WHAT IS WOMEN BUILD?

Since 1991, Women Build volunteers from all walks of life have come together to build stronger, safer communities. Locally, women participants with Rogue Valley Habitat have made HUGE impacts on our housing program with their fundraising and construction volunteerism. Since 2018 the Women Build participants have raised more than \$30,000 for our local Women Build projects and will be continuing their efforts in 2024.

Though our neighborhoods are comprised largely of women and children, they are also the population's most likely to be affected by poor living conditions. Our Women Build program provides the opportunity for women to take a proactive step in serving their communities.

Women Build opportunities are available across the U.S., any woman who wants to learn how to construct a home is invited to join us. No experience is necessary. Volunteers work alongside future homeowners under the guidance of construction professionals. Whether you are learning new skills or simply adding a few to your tool belt, this is a rewarding experience for all involved, and improves the community that you share.

Women Build is also a terrific way to involve your friends and family in crucial work with a lasting impact. Women helping women sends a positive and powerful message. You can also come alone, and make new friends. The atmosphere is collaborative and friendly.

Are you ready to build with us?

how to participate
the choice is yours

•fundraise•

From now until April 30th is Women Build 2024 fundraising time. For Women Build 2024, our fundraising challenge is an entirely individual event. We will provide you ALL of the tools necessary to have a successful fundraiser and to earn as many incentive benchmarks as possible.

•learn•

Participate in 4 training classes that will be hosted at the Habitat for Humanity workshop. These classes are scheduled for every Thursday through May 2nd. They will begin at 5:30pm and last approximately an hour and a half. Classes will be held in the Habitat workshop.

•build•

Now we put your skills to work! May 4th is designated as our Women Build Day and on this day we will work together building walls for an upcoming build. As a team you will read plans, measure and cut, hammer and nail—everything to get these walls ready to go up!

Lunch, treats, learning and fun are all included.

•celebrate•

We will award the LUXURY SPA PACKAGE to our top fundraiser, and the DIAMOND HAMMER TROPHY! WB gear and fundraiser tools/incentives to will be awarded at the closing celebration on May 4th.

deploy your skills & celebrate success

You have learned a new safe and handy construction skills directly from our incredible Habitat construction staff- Kurt, Rick, and Paddy.

You have completed your fundraising efforts and achieved your goals. The only thing left to do is celebrate...

The celebration will take place on Saturday, May 4th. On this day you will put all of your skills to work by reading plans, prepping your lumber, assembling walls and working as a team to get everything ready for an upcoming wall raising. The day will also include a group lunch and end with celebration.

Your strawberry and bubbly celebration will be the perfect end to the day as we enjoy and reflect on your accomplishments and your growth. At the celebration we will also present the fundraising incentives to the big winners!

KEEP IT UP...

You better not disappear! We hope to see you all register and join our regular build days during the week. We will be sure to share with you how to view and register for those build days on our website.

Who is Rogue Valley Habitat for Humanity?

- ◆ A Christian-based non-profit governed by a local Board of Directors.
- ◆ Started in the Rogue Valley in 1987. Has completed and sold 79 homes. Completed 86 ABWK projects & 14 CR projects.
- ◆ Is a *handup*, not a hand-out.
- ◆ Builds homes for Jackson county residents who are in need of housing and whose income is between 40%-80% of federal median income.
- ◆ Generally builds the home from the ground up and builds simple decent, quality, attractive housing. A two bedroom is 900 square ft., four bedrooms is 1200 square feet.
- ◆ Volunteers and the selected family build the homes, with over 1000 active volunteers a year.
- ◆ Rely on In-Kind donors from the community to donate building materials and/or services to keep construction costs low
- ◆ Income generated from our two Southern Oregon ReStore locations cover all administrative costs for our affiliate. Your monetary donation to Habitat for Humanity goes directly towards our housing programs.
- ◆ Land is donated or purchased
- ◆ The home is sold to the family for the cost to build via an affordable 30 year mortgage. Covenants and restrictions are in place to ensure long term, affordable housing for the family.
- ◆ As the families pay their monthly mortgage payments, that money is collected to be used on the next project.
- ◆ Habitat selects partners based on their need for housing, ability to pay and willingness to partner (partner families work at least 500 hours of “sweat equity” building on their home).
