

COVID-19 Safety Measures for ReStore and Construction

1. **Masks must be worn at all times when indoor or within six feet of another person. Other PPE such as gloves and eye protection are available upon request.**
2. **Maintain a distance of 6 feet from others whenever possible.**
3. **If necessary, do not maintain a distance of less than 6 feet for more than 15 minutes.**
4. **Sanitize tools, safety equipment and other materials before and after each use. Alcohol spray and wipes are readily available.**
5. **Please use hand sanitizer to clean your hands throughout the day when washing facilities are not readily available.**
6. **If you are experiencing cold or flu like symptoms, please stay home.**

By signing below I am indicating that I understand and agree to my responsibilities regarding COVID-19 safety and PPE while present on Rogue Valley Habitat for Humanity premises or job sites. I understand that "sanitization is the job of everyone" and I agree to help make sure that the facility or jobsite where I am working is maintained in a clean, safe, sanitary manner at all times.

Print Name: _____ Signature: _____ Date: _____

To your knowledge, have you been exposed to anyone within the last 14 days who had or later developed symptoms related to Covid-19 such as fever above 100.4°, cough, sore throat, respiratory illness, difficulty breathing.

YES NO

In the last 14 days, have you experienced any of the symptoms related to Covid-19 such as fever above 100.4°, cough, sore throat, respiratory illness, difficulty breathing?

YES NO
